CORPORATE GOVERNANCE STATEMENT
FOR THE FINANCIAL YEAR ENDING 30 JUNE 2024

This Corporate Governance Statement is current as at 30 June 2024 and has been approved by the Board of Invex Therapeutics Ltd (**Company**) and its controlled entity (**Group**) on that date.

This Corporate Governance Statement discloses the extent to which the Company has, during the financial year ending 30 June 2024, followed the recommendations set by the ASX Corporate Governance Council in its publication Corporate Governance Principles and Recommendations – 4th Edition (**Recommendations**). The Recommendations are not mandatory, however the Recommendations that have not been followed for any part of the reporting period have been identified and reasons provided for not following them along with what (if any) alternative governance practices were adopted in lieu of the recommendation during that period.

The Group has adopted a Corporate Governance Plan which provides the written terms of reference for the Group's corporate governance duties.

Due to the current size and nature of the existing Board and the magnitude of the Company's operations, the Board does not consider that the Company will gain any benefit from individual Board committees and that its resources would be better utilised in other areas as the Board is of the strong view that at this stage the experience and skill set of the current Board is sufficient to perform these roles. Under the Company's Board Charter, the duties that would ordinarily be assigned to individual committees are currently carried out by the full Board under the written terms of reference for those committees.

The Group's Corporate Governance Plan is available on the Group's website at <https://invextherapeutics.com/corporate-governance/>

RECOMMENDATIONS (4 TH EDITION)	COMPLY	EXPLANATION
		<p>(ii) when appointing new Directors or senior executives, the Board considered the application of the measurable diversity objectives and determined that, given the small size of the Group and the Board, requiring specified objectives to be met, would unduly limit the Group from applying the Diversity Policy as a whole and the Group’s policy of appointing the best person for the job; and</p> <p>(iii) the respective proportions of men and women on the Board, in senior executive positions and across the whole organisation (including how the entity has defined “senior executive” for these purposes) for the past financial year is disclosed in the Group’s Annual Report.</p>

It may do so with the aid of an independent advisor. The process for this is set out in the Group’s Corporate Governance Plan, which is available on the Group’s website.</p> <p>(b) The Group’s Corporate Governance Plan requires the Group to disclose whether or not performance evaluations were conducted during the relevant reporting period. The Group did not formally complete any such evaluations of the Board and individual Directors for the year ended 30 June 2024 however the performance of Executive Directors was informally considered on a regular basis by the Chairman and Non-executive Directors and the performance of the Non-executive Director and Chairman self-assessed by a Board Performance evaluation completed by all Directors. Given the size of the Board and stage of operations it was not considered necessary to undertake independent Board evaluations.</p>

RECOMMENDATIONS (4 TH EDITION)	COMPLY	EXPLANATION
<p>Recommendation 1.7 A listed entity should:</p> <p>(a) have and disclose a process for evaluating the performance of its senior executives at least once every reporting period; and</p> <p>(b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.</p>	YES	<p>(a) The Group’s Nomination Committee (or, in its absence, the Board) is responsible for evaluating the performance of the Group’s senior executives on an annual basis. In accordance with the Group’s Board Charter, the Board carries out the duties that would ordinarily be carried out by the Nomination Committee under the Nomination Committee Charter, including the following processes to address succession issues and to ensure the Board has the appropriate balance of skills, experience, independence and knowledge of the entity to enable it to discharge its duties and responsibilities effectively:</p> <p>(i) devoting time at least annually to discuss Board succession issues and updating the Group’s Board skills matrix; and</p>

However gaps in the collective skills of the Board are regularly reviewed by the Board as a whole, with the Board proposing candidates for directorships having regard to the desired skills and experience required by the Group as well as the proposed candidates' diversity of background.</p> <p>The Board Charter requires the disclosure of each Board member's qualifications and expertise. Full details as to each Director and senior executive's relevant skills and experience are available in the Company's Annual Report and on the Group's website.</p>
